

OIL SANDS EXPLORATION

KEY ATTRIBUTES

SAFETY

Mission's top priority is always the safety of people in and around our worksites

DESKTOP DESIGN

Utilizing applicable datasets Mission can customize your OSE program

OSE MAPPING

Custom mapping products for application, consultation and planning

FIELD SCOUTING & SURVEY

Field fit design OSE programs, survey dispositions and as-built disturbance

SENSIBLE SOLUTIONS THAT OPTIMIZE YOUR BUSINESS

Employing decades of combined Oil Sands Exploration (OSE) experience, Mission provides clients with personalized geomatics services to meet the needs of their project and satisfy regulatory requirements.

Mission utilizes the latest and most appropriate technology in the design, survey and as-built of their client's projects.

Leveraging appropriate technology creates value added processes that increase efficiency and reduce risk exposure to the client.
